AUBURN ENLARGED CITY SCHOOL DISTRICT

VOLUME 26, ISSUE 1

Dear Auburn Families,

Welcome to the 2021-2022 school year! We are very happy to be starting the 2021-2022 school year with full in-person instruction five days a week for all students in Grades K through 12. Of course, this school year will continue to look very different from a typical school year, but the fact that all of our students can return for in-person instruction is what is most important because we all know that students learn best in the classroom. There are many unknowns as we head into the new academic year, but our primary goal is to keep our doors open for in-person learning five days a week all year long, and we will do whatever we need to do to make that happen.

Below are some of the health and safety protocols we have in place based on recommendations from the Cayuga County Health Department and guidance from the New York State Education Department.

- **Health Screens:** Daily temperature checks will continue at the elementary level upon entry into the buildings. Secondary students will need to fill out screening questionnaires online prior to or upon arrival.
- Face Masks: All students and employees will be required to wear masks correctly and consistently regardless of their vaccination status while on buses and inside any school buildings. Face masks will not be required outdoors while on school grounds. We will reevaluate the need for face masks regularly based on the most current guidance.
- **Social Distancing:** We will continue to do our best to socially distance students three feet apart from one another on our buses and in our classrooms as much as possible depending on class and classroom sizes.
- Transportation: All eligible students will be transported by bus to and from school. *Everyone is required to wear masks correctly and at all times while riding the bus.*
- Lunches: Elementary students will eat in the same pods every day during lunch; secondary students will also eat in the same pods every day during lunch, but they will be allowed to choose their pods. This will limit potential exposures and make any necessary contact tracing easier to conduct.
- **Disinfecting:** We will continue to disinfect our school buildings every day, as we did throughout the previous school year.
- Air Purification: The district is utilizing its federal COVID relief funds to install air purifiers in every classroom, cafeteria, and gymnasium. These air purifiers have been known to completely eliminate the coronavirus from air particles, which will make our school buildings that much safer.

We will do everything we can to ensure the health and safety of our students and employees upon the return to school, but we need you to do your part as well. Please do not send your child to school if they are experiencing any COVID-19 symptoms, even if the symptoms are mild. This is the best way to stop the spread and help ensure that we can continue with full-time in-person instruction throughout the 2021-2022 school year. If we see a large increase in cases, we will be ready to go fully remote instantaneously if need be, but our goal is to avoid that if at all possible.

Thank you for your patience and understanding as we tackle another unprecedented school year. On behalf of the Board of Education and administration, thank you for your continued support of the Auburn Enlarged City School District. We look forward to seeing all of our students on Tuesday, September 7!

Jeff Pirozzolo

Capital Project Work at Casey Park and Herman Avenue Elementary Schools

Casey Park Elementary School:

Work this summer consisted primarily of main office renovations, new heating, ventilation and air conditioning (HVAC) in several classrooms. The main office work will include a new secure mode of entry with the reception office near the main doors and relocation of several staff occupied spaces further within the building. Two conference/meeting rooms will be provided within the overall area of reconfigured space.

HVAC equipment will be upgraded in other spaces within the building, and some areas will be outfitted with new ceilings and shelving along the perimeter of rooms where the work is proposed.

A major portion of the work is proposed to be complete in the fall with certain scope areas continuing in duration through the school semester, which will not disrupt academic/learning activities. The project was competitively bid earlier this year with the results coming in under budget.

Anonymous Alerts!

The school district is pleased to continue our partnership with Anonymous Alerts®, the antibullying and safety reporting app and system. Starting in the 2018-2019 school year, this safety communications tool is a way for our students to quickly communicate anonymously with school officials and engage in anonymous 2-way communications to share more information about incidents. Types of concerns that may be reported include, but are not limited to, bullying, harassment, drug-related issues, fighting, weapons, threats, and more. The goal of this reporting system is to help maintain a safe school climate while giving students ample opportunity to securely communicate with school administrators without fear of retribution by their peers. The system will be monitored during school days between the hours of 8:00 a.m. and 3:00 p.m.

To send a report online:

www.anonymousalerts.com/ auburnecsd

- Download the Anonymous Alerts® app
- Start the app, enter Activation Code: auburnecsd
- · Send important reports to school officials
- Add a screenshot, photo or video about the incident

Stay home except to get medical care

Stay home. Most people with COVID-19 have mild illness and can recover at home without medical care. Do not leave your home, except to get medical care. Do not visit public areas.

Take care of yourself. Get rest and stay hydrated. Take overthe-counter medicines, such as acetaminophen, to help you feel hetter

Stay in touch with your doctor. Call before you get
medical care. Be sure to get care
if you have trouble breathing, or
have any other emergency
warning signs, or if you think it is
an emergency.

Avoid public

Separate yourself from other people

As much as possible, stay in a specific room and away from other people and pets in your home. If possible, you should use a separate bathroom. If you need to be around other people or animals in or outside of the home, wear a cloth face covering. Additional guidance is available for those living in close quarters and shared housing. If you have any questions about your pets or other concerns, visit the frequently asked question page:

COVID-19 FAQ

Clean all "high-touch" surfaces everyday

High-touch surfaces include phones, remote controls, counters, tabletops, doorknobs, bathroom fixtures, toilets, keyboards, tablets, and bedside tables.

Avoid sharing personal household items

Do not share dishes, cups, drinking glasses, eating utensils, towels, or bedding with other people in your home. Wash these items thoroughly after using them with soap and water or put in the dishwasher. Visit:

Complete Disinfection
Guidance

Clean your hands often

Wash your hands often with soap and water for at least 20 seconds. This is especially important after blowing your nose, coughing, or sneezing; going to the bathroom; and before eating or preparing food. Use hand sanitizer if soap and water are not available. Use an alcohol-based hand sanitizer with at least 60% alcohol, covering all surfaces of your hands and rubbing them together until they feel dry. Soap and water are the best option, especially if hands are visibly dirty.

Avoid touching your eyes, nose, and mouth with unwashed hands.

Steps to Help Prevent the Spread of COVID-19

If you are sick with COVID-19 or think you might have COVID-19, follow these steps to care for yourself and to help protect other people in your home and community.

https://www.cdc.gov

When to Seek Emergency Medical Attention

Look for emergency warning signs* for COVID-19. If someone is showing any of these signs, seek emergency medical care immediately:

- Trouble breathing
- Persistent pain or pressure in the chest
- New confusion
- Inability to wake or stay awake
- · Bluish lips or face

*This list is not all possible symptoms. Please call your medical provider for any other symptoms that are severe or concerning to you. Call 911 or call ahead to your local emergency facility: Notify the operator that you are seeking care for someone who has or may have COVID-19.

What to Do If You Are Sick

If you have a fever, cough or other symptoms, you might have COVID-19. Most people have mild illness and are able to recover at home. If you think you may have been exposed to COVID-19, contact your healthcare provider. Keep track of your symptoms.

Monitor your symptoms

Symptoms of COVID-19 include fever, cough, or other symptoms. Follow care instructions from your healthcare provider and local health department. Your local health authorities may give instructions on checking your symptoms and reporting information.

Cover your coughs and sneezes

Cover your mouth and nose with a tissue when you cough or sneeze. Throw away used tissues in a lined trash can.

Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not available, clean your hands with an alcoholbased hand sanitizer that contains at least 60% alcohol. Visit: **Handwashing**

If you are sick wear a cloth covering over your nose and mouth

You should wear a **Cloth Face Covering**, over your nose and mouth if you must be around other people or animals, including pets (even at home).

You don't need to wear the cloth face covering if you are alone. If you can't put on a cloth face covering (because of trouble breathing, for example), cover your coughs and sneezes in some other way. Try to stay at least 6 feet away from other people. This will help protect the people around you.

Cloth face coverings should not be placed on young children under age 2 years, anyone who has trouble breathing, or anyone who is not able to remove the covering without help. Note: During the COVID-19 pandemic, medical grade face masks are reserved for healthcare workers and some first responders. You may need to make a cloth face covering using a scarf or bandana.

Call ahead before visiting your doctor

Call ahead. Many medical visits for routine care are being postponed or done by phone or telemedicine.

If you have a medical appointment that cannot be postponed, call your doctor's office, and tell them you have or may have COVID-19. This will help the office protect themselves and other patients.

Keep Your Child on Track With Schoolwork

Supporting Children's Learning: Children who are struggling with schoolwork can become frustrated and look for ways to avoid going to school and participating in school. Our goal is to provide them with the support they need so they feel good about learning and good about themselves. Parents and teachers need to work together to help children succeed in school and feel connected. Find out more at:

Auburn Education Foundation Updates

The Auburn Education Foundation (AEF) Board of Directors would like to take this opportunity to commend the Auburn Enlarged City School (AECSD) community for its indefatigable efforts to provide sound educational opportunities for its students, despite the obstacles presented by Covid-19. To say that it has been a difficult period of time is an understatement. By all accounts, the process has not been easy or perfect, but the challenges have been unprecedented. While we are still facing some roadblocks caused by Covid, we sincerely hope that these will be diminished in the near future, and our staff, teachers and students will be able to return to a more "normal" learning environment. Our children deserve no less.

Throughout the 2020-2021 school year, AEF sought, and funded grants to support teachers seeking to address teaching challenges. We also addressed other goals set by the Board of Directors for 2020-2021, meeting virtually throughout the year, and learning first hand the value of the experience provided by grants such as the GooseChase.

As we approach the reopening of schools for the 2021-2022 school year, the AEF Board of Directors would like to encourage teachers of the AECSD to apply for education grants available through our foundation. Our fall deadline is October 15. The spring deadline is February 15, 2022. As in the past, we are also ready to work in partnership with the district to provide a larger grant that will address district-wide need. Two such district-wide grants have been made available in the past two years.

Learn more about AEF, its goals, grants and programs by visiting its website, **auburnedfoundation.org**, Facebook page, and its annual report. The Hall of Distinction event (HoD) will be held on May 20, 2022. Eight outstanding Auburn Alumni comprise the class of 2022. Please save the date.

To our students, to quote Ralph Waldo Emerson, "Hitch your wagon to a star!" You have an entire community rooting for you.

Thank you for your continuous support!

AEF Board of Directors

AEF sends best wishes for a successful school year!

Family Educational Rights and Privacy Act of 1974 (FERPA)

Students who are applying to colleges, please be aware that procedures for the confidentiality of student records within the Family Educational Rights and Privacy Act of 1974 (FERPA) have recently changed. FERPA permits school officials to disclose all education records, including disciplinary records, to another institution at which the student seeks or intends to enroll. This now also applies to post-secondary institutions (colleges), upon request.

THE DISTRICT WELLNESS POLICY

The **Auburn Enlarged City School District** is committed to providing students with a school environment that promotes student health and wellness and reduces childhood obesity. The District Wellness Policy can be viewed on the district website. As part of the policy, the district shall:

- ensure that all foods and beverages available in school promote good nutrition, balance and reasonable portion sizes;
- **promote** the sale of non-food items or activities for school fundraisers:
- require non-food classroom
 celebrations;
- **promote** the integration of physical activity in the classroom and encourage staff, families and community to participate in and model physical activity as a valuable part of daily life;
- **integrate** nutrition education that teaches the knowledge, skills and values needed to adopt healthy eating behaviors into the curriculum;
- **promote** fruits, vegetables, whole grain products, low fat dairy products, safe and healthy food preparation methods and health-enhancing nutrition practices;
- **inform** and update the public about the content, implementation and effectiveness of this policy.

If you are interested in serving on the **District Wellness Committee**, please contact Tessa Crawford at 315-255-8820 or email her at:

· BACK-TO-SCHOOL CHECKLIST ·

For Parents Who Have Students with a Health Concern:

- → Make your child's health concern known to the school and school nurse.
- → Introduce yourself and your child to the school nurse.
- ➡ Bring current signed healthcare provider orders.
- Together with the school nurse and other appropriate school officials, and family, develop an individualized healthcare plan (or other educational plans, as needed, e.g., 504, IEP).
- → Give permission for the school nurse to communicate with your family's healthcare provider.
- ➡ Provide parent/guardian contact information and update the school with any changes.
- → Ask if non-nurses will be providing care (for example, verify who will administer medication) and how these authorized individuals will be supervised.
- → Confirm the school's disaster/emergency plan. Make sure your child's medication and/or medical devices (epinephrine auto-injectors, asthma inhalers, insulin, etc.) will be readily available in an emergency.

For All Parents and Students:

- → Make sure immunizations are up-to-date.
- Review hygiene tips to prevent the spread of infections.
- ⇒ Establish a bedtime and wake-up time to ensure adequate and consistent sleep.
- → Develop a routine for homework and after school activities.
- ➡ Eat breakfast each day at home or at school.
- → Help make appropriate clothing choices (for example, wear comfortable and safe shoes).
- → Keep an open line of communication with your child to ensure that he/she remains safe at school. If a concern arises (such as bullying), contact the appropriate school officials immediately.
- → Get involved! Sign up for the parent organization (PTA/PTO), District Wellness Committee, District Parent Council, and mark events such as back-to-school night and parent/teacher meetings on your calendar.
- → Ask about the school or district's wellness policy (for example, how does the school address nutrition, activity, stress and mental health concerns).

STUDENT HEALTH EXAMINATIONS UPDATE

All students in Kindergarten and grades 1, 3, 5, 7, 9, and 11, as well as students wishing to participate in sports or become eligible for a working permit, and all new students to the district are mandated by New York State Education Law to have a current examination on record in the health office. The Health Staff encourages you to use your private health care provider for all required school health appraisals for better continuity of care. Should you choose to have a health appraisal done by the school physician or nurse practitioner in school, it will be scheduled at the convenience of the district.

Your child will be asked to disrobe to underclothing. While every effort is made to preserve dignity and privacy, most health offices are too small to provide the level of privacy your child may be used to in his or her private provider's office.

The physician conducts a mini-interview for history. These are age appropriate questions identified by the American Medical Association and the American Academy of Pediatrics. Next, the physical screening examination is done. The exam includes a head-to-toe screening of all major organ systems. Please do not ask the school to conduct this exam unless you seek your own child's permission and understanding of the nature of the exam. Because school examinations, by law, are only screening exams and school providers may not diagnose or prescribe in a school setting, you will be advised of any areas of concern found on examination that require further evaluation by your own provider.

One last suggestion regarding private examinations. Most physicians recommend that you time annual exams around your child's birthday. It may take six to twelve weeks to schedule an appointment, especially over the summer. Please plan accordingly if you have these exams done privately. We understand that during this transition we will all need to be flexible, especially regarding sports participation. Our goal is to facilitate your child's ability to play in a chosen sport. All we ask is that if you have already had an exam done, that you please take a moment to call your private physician to get proof of the exam into the school nurse as soon as possible.

Please feel free to contact Caren Radell, Nursing Supervisor, at (315)255-8829.

IMMUNIZATIONS NOTICE:

At this time, the NYSDOH is not issuing exceptions for immunizations because of COVID-19.

The Department's stance continues to be that students missing vaccine doses for any reason must comply with Public Health Law Section 2164 requirements.

Children entering or attending school in New York State, including summer school and distance learning, must comply with said requirements.

PESTICIDE NOTIFICATION

Dear Parents, Guardians, and School Staff:

New York State Education Law Section 409-H, effective July 1, 2001, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

The Auburn Enlarged City School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are <u>not</u> subject to prior notification requirements:

- a school remains unoccupied for a continuous 72-hours following an application;
- anti-microbial products:
- nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children;
- silica gels and other nonvolatile ready-to-use pastes, foams, or gels in areas inaccessible to children;
- boric acid and disodium octaborate tetrahydrate;
- the application of EPA designated biopesticides;
- the application of EPA designated exempt materials under 40CFR152.25;
- the use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the form below and return it to the AECSD Facilities Department, Attn: Eric L. Francisco, CBO, Director of Facilities, the Auburn Enlarged City School District pesticide representative, at: 78 Thornton Avenue, Auburn, NY 13021 or email to marycregg@aecsd.education.

FEDERAL ASBESTOS HAZARD EMERGENCY RESPONSE ACT (AHERA) NOTIFICATION

The Auburn Enlarged City School District, in accordance with Section 763.93 of the Federal Asbestos Hazard Emergency Response Act (AHERA), submitted Asbestos Management Plans to the New York State Education Department in 1989. Updated and reviewed annually, these plans contain reports of the accredited asbestos inspector and the reports of the accredited laboratory which analyzed the inspection samples that were taken.

The Management Plans also describe:

- Places in each school building where asbestos was identified
- Response actions taken to date including abatement of asbestos in elementary, junior high and high school boiler rooms, corridors, classrooms, crawl spaces, and storage areas.

Copies of the Management Plans are available in each of the Principal's office and in the District office. The plans may be reviewed during regular business hours daily, Monday - Friday. Any questions or requests for additional information pertaining to the asbestos plan should be directed to:

Mr. Eric Francisco, CBO, Director of Facilities, Auburn Enlarged City School District,

78 Thornton Avenue, Auburn, New York, or call him at 315-255-8853.

ELEMENTARY STUDENTS Grades K-6, are transported if they live one mile or more from the school they attend.

JUNIOR HIGH School students, grades 7-8, are transported if they live 1.5 miles or more from their school.

HIGH SCHOOL Students must live two miles or more from the school to be transported.

ALL Bus routes are subject to change throughout the year.

ALL students need a BUS PASS to ride the school bus.

Distances are measured by the shortest route to or from the school. Measurements are taken from a point on the public road opposite the front door of the school to a point on the public road in front of the home. No private roads may be included in the computations. The district uses a Board approved routing program: Transfinder. Requests to have transportation distances re-measured must be made before October 1st. If you have any questions about bussing, please call First Student at 315-252-3401.

Bus Schedules are also available online at: www.aecsd.education under the Transportation link.

NEW YORK STATE SEX OFFENDER REGISTRY:

You can go online to find out if any sexual offenders live near you. The New York State Sex Offender Registry is available at www.criminaljustice.ny.gov/nsor/index.htm whereby you can search for Level 2 and Level 3 sex offenders.

Enhanced STAR Exemption for Senior Citizens

Senior property owners who already have a Basic STAR Exemption on their primary residence may be eligible for the Enhanced STAR Exemption when they are 65. You should apply when you are 64 so that, if you qualify, you may receive the exemption beginning the year that you turn 65. Auburn city residents should contact the Assessor's Office at City Hall on South Street (255-4125). Other Auburn (Aurelius, Throop, Owasco, Sennett, Fleming) and Cayuga County residents should contact their local assessor's office. The deadline for applications for Auburn city residents is February 1. Other Auburn and Cayuga County residents should check with their local assessor.

The Enhanced STAR program for senior citizens provides eligible seniors an exemption from school property taxes for owner-occupied, primary residences. To be eligible for this exemption, a property owner must be 65 years of age or older on December 31, 2022, with income not exceeding \$92,000.

STAR provides qualifying households with up to a \$71,000 exemption on the full value of their property. Qualifying residents owning a home with a full value of \$100,000 would recognize an estimated tax savings of \$1,000+ from the Enhanced STAR for the tax year in which they qualify.

For more information and to check the latest updates go to the NYS STAR Program website: https://www.tax.nv.gov/star/
