Genesee Elementary School

January 2019

FROM THE PRINCIPAL:

Dear Genesee Families,

The Fill-A-Belly Over Break Program was a huge success! Our school community is so fortunate to have a program like this. Thank you to everyone who helped out and made it possible!

Our annual Reindeer Sale was also a success and well-attended by students. Thank you to the GTP for putting it on and to all community members who volunteered!

Be sure to mark your calendars for February 6 for the **Genesee Winter Concert**. We are so excited to see our student musicians perform!

Please remember that the pizza shop next door to our school has opened back up. The parking spaces in front of their shop are for their patrons, so please be respectful and refrain from parking in those spaces.

Sincerely,

Mrs. Simmons

@auburn_genesee
@AuburnECSD

Students who have earned PAW tickets through our PBIS program are able to cash in 10 tickets in order to have breakfast with Mrs. Simmons and Mr. Allan on Wednesday mornings.

PBIS Celebration

At our schoolwide PBIS celebration in December students danced to tunes spun by our very own DJ Hump, made holiday crafts, and created Minecraft worlds connected to grade level specific content. Everyone had a blast!

Classroom Activities

Kindergarteners attended the Polar Express. Thanks, Mr. Gorney!

Merry-Go-Round Playhouse put on a nice performance for our third graders!

PBIS Morning Programs

We are continuing our schoolwide morning programs where the entire school comes together at 9am on the first Monday of every month to celebrate our school PRIDE, good attendance, and other events.

We ask students to present information that teaches their peers about how we use PRIDE throughout our school.

This is an important component of PBIS and works to build school community.

Bright futures begin with good school attendance

Missing just a few days of school a month can hurt a student's math and reading skills or even their chance of graduating.

Please make sure your student is in school whenever possible. If your child is not present, please let the main office know by calling (315) 255-8640.

Please help us reduce chronic absence. For more information, please visit: www.everystudentpresent.org/parents
