## ATTENDANCE MATTERS!

Bright futures begin with good school attendance

Missing just a few days of school a month can hurt a student's math and reading skills or even their chance of graduating.

Please make sure your student is in school whenever possible. If your child is not present, please let the main office know by calling (315) 255-8640.

Please help us reduce chronic absence. For more information, please visit: [www.everystudentpresent.org/parents](http://www.everystudentpresent.org/parents)
