Genesee Elementary School

November 2019

FROM THE PRINCIPAL:

Dear Genesee Families,

I love this time of year! The color of the leaves makes this area of the country so beautiful! Unfortunately, that means the cold weather and snow will be arriving soon. Please let us know if your child is in need of a warm jacket.

All parents/guardians are invited to the District Parent Council meeting at 6:30 p.m. November 4 at the Harriet Tubman Administration Building. The meeting will include a discussion regarding school safety and safety tips for technology use. The Auburn Police Department will be presenting at this meeting.

I am excited to announce that we will have a fun "Read Around Genesee" family night on Monday, November 25 from 5 to 7 p.m. Staff members will be reading, there will be STEM activities, and the night will end with a snack. Be on the lookout for more information which will be sent home with your child. I hope to see many of you there!

Sincerely,
Heather Costello
Principal

Our 2nd graders had a great time at Owens Orchards!

Rope Jumping Contest

Our students performed well at the district-wide jump rope contest on October 23! Way to go!

ATTENDANCE MATTERS!

Please make sure your student is in school whenever possible. Every day is a gift of education.

If your child is not present, please call the main office at (315) 255-8640 to report his or her absence.

Please help us reduce chronic absence.

Pride Leadership Team Advocates for School Funding

Our Pride Leadership Team traveled to Syracuse on October 29 to advocate for fair school funding!

Genesee students were among a group of Auburn Enlarged City School District students, staff members, community members, Board of Education members and administrators who traveled by bus to express their support for fair funding before an education roundtable held by members of the New York State Senate. The group showed support with chants and homemade signs and turned over petitions containing over a thousand signatures in support of fair education funding.
