Genesee Elementary School

October 2020

FROM THE PRINCIPAL:

Hello Genesee Families!

We had an amazing start with Hybrid learning and love having students in the building! It's so nice seeing all of the cute faces again!

We are so proud of the students who have been participating in the zoom meetings and completing their Google classroom work. Keep up the great work! If you are having difficulties with remote learning, please reach out to your child's teacher to schedule a small group or individual zoom session. Remember, every day is a school day whether your child attends in person or remotely. As always, please feel free to contact me with any questions or concerns. Take care!

Sincerely,
Heather Costello, Principal
