- ✓ One additional Regents exam in science, for a total of two Regents exams, with at least one in life science and at least one in physical science.
- ✓ Two additional units in a World Language for a total of three units in a single language, and the culminating exam in that language. Note: Students can bypass this language requirement by earning a 5-unit sequence in Technology, Business, Fine Arts or BOCES Career/Technical Education programs.

### GPA/RANK IN CLASS

Grade point average and rank are computed after the sixth semester using all courses for which a numerical average is recorded. Please note that class rank and GPA includes Physical Education. Both GPA and rank in class are weighted. When calculating rank, the weighting formula adds 5% to the final average in enriched, AP, and college credit courses taught on site at Auburn High School. (Note: College courses taken “off site” or on the internet will not be weighted for GPA or class rank).

# INITIAL ELIGIBILITY

Initial-eligibility standards help ensure you are prepared to succeed in college. The eligibility process also protects the fairness and integrity of college sports by ensuring student-athletes are amateurs.

If you want to practice, compete and receive an athletics scholarship during your first year at a Division I or II school, the NCAA Eligibility Center must certify you as eligible. International college-bound student-athletes planning to enroll at a Division III school must also receive an amateurism-only certification from the Eligibility Center. Throughout the process, Eligibility Center staff members partner with students and their families, as well as high school administrators and coaches, to guide you on your journey.

## REMEMBER

*As a college-bound student-athlete, you are responsible for your eligibility – that means planning ahead, taking high school classes seriously and protecting your amateur status. It can be a difficult first step, but the benefits of being a student-athlete are worth the effort.*

“

*I'm really seeing how I've learned from being a student-athlete, how I've grown from being a student-athlete, how it shaped who I am and who I'm working toward becoming.*

**Eka Jose**

GRADE

**REGISTER**

- » If you haven't yet, **register** for a free Profile Page account at [eligibilitycenter.org](http://eligibilitycenter.org) for information on NCAA initial-eligibility standards.
- » Meet with your high school counselor to ensure they are aware of your plans to compete in NCAA sports.
- » Find your high school's list of **NCAA-approved core courses** to ensure you're taking the right courses, and earn the best grades possible!
- » Use NCAA Research's **interactive map** to locate NCAA schools you're interested in attending.

**10<sup>th</sup>**  
GRADE **PLAN**

- » If you're being **recruited** by an NCAA Division I or II school, **transition** your Profile Page account to an Academic and Athletics Certification account.
- » Monitor the **task list** and **sign up for text alerts** in your **Eligibility Center account** for next steps.
- » Research admissions requirements for NCAA schools you're interested in attending.
- » Ask your high school counselor from each school you attended to upload your **official high school transcript** at the end of the school year.
- » If you fall behind academically, ask your high school counselor for help finding **NCAA-approved core courses**.

**11<sup>th</sup>**  
GRADE **STUDY**

- » Ensure your **sports participation** information is correct in your Eligibility Center account.
- » Check with your high school counselor to make sure you're on track to complete the required number of NCAA-approved **core courses** and **graduate on time**.
- » Share your **NCAA ID** with NCAA schools recruiting you so each school can place you on its **institutional request list**.
- » Take **unofficial and official visits** to NCAA schools you're interested in attending and start applying early.
- » Ask your high school counselor from each school you attended to upload your **official high school transcript** at the end of the school year.

**12<sup>th</sup>**  
GRADE **GRADUATE**

- » Apply to and be accepted by your chosen NCAA school.
- » Ensure your **sports participation** information is correct and **request your final athletics certification** beginning April 1 (fall enrollees) or Oct. 1 (winter/spring enrollees) in your Eligibility Center account.
- » Complete your final NCAA-approved **core courses** as you prepare for graduation.
- » Ask your high school counselor to upload your **final official high school transcript** with **proof of graduation** after you graduate.

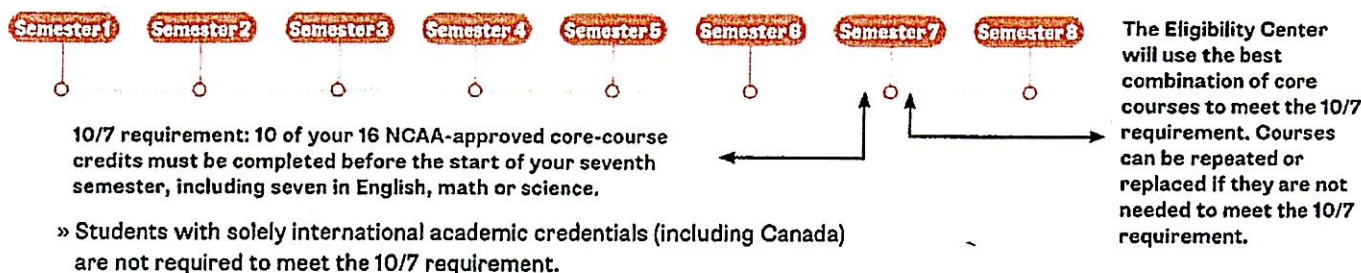

# DIVISION I ACADEMIC STANDARDS

Division I schools require college-bound student-athletes to meet academic standards for NCAA-approved core courses, core-course GPA and test scores. To be eligible to practice, compete and receive an athletics scholarship in your first full-time year at a Division I school, you must meet all of the following requirements:

1. Earn 16 NCAA-approved core-course credits in the following areas:

2. Complete 10 of your 16 NCAA-approved core-course credits, including seven in English, math or science, before the start of the seventh semester. Once you begin your seventh semester, any course that is needed to meet the 10/7 requirement cannot be replaced or repeated.

3. Complete your 16 NCAA-approved core-course credits in eight academic semesters or four consecutive academic years from the start of ninth grade. If you graduate from high school early, you still must meet core-course requirements.
4. Earn a corresponding test score that matches your core-course GPA (minimum 2.3) on the Division I sliding scale (see page 22).<sup>\*</sup> More information regarding the impact of COVID-19 and test scores can be found at [on.ncaa.com/COVID19\\_Spring2023](https://on.ncaa.com/COVID19_Spring2023).
5. Submit your final transcript with proof of graduation to the Eligibility Center.

# Auburn High School Curriculum

The curriculum at Auburn High School is designed to meet the needs of all students, regardless of their academic ability or future plans. Students may enroll in college preparatory, general, and vocational courses to help prepare them for college and/or the workforce. Students may begin earning credits at Auburn Junior High through accelerated programs in Math, World Languages and Science.

**Grading Policy:** minimum passing grade is 65%.

**Full-Year Courses:** Avg. of 6 marking periods + final exam / 7. **Half-Year Courses:** Avg. of 3 marking periods x 2 + final exam / 7. Some courses use portfolio assessments in place of a final exam.

**GPA/Rank in Class:** GPA and rank are computed after the 6th semester, and both are weighted (5% weight is added to AP, E, CCC and PLTW courses).

## Instructional Levels

AP Advanced Placement  
E Enriched (Honors)

# 2025-2026 Sports Seasons and Family ID Registration

Student-Athletes must register in FamilyID each season in which they intend to participate. Registration will open within 30 days of the season starting in order to ensure that health information is current, and to be in compliance with NYS law. See link below:

<https://students.arbitersports.com/organizations/auburn-enlarged-city-school-district-athletics>

In order to process the student-athletes' medical and eligibility information, FamilyID registration will close 7 days prior to the start of each season. FamilyID registration will remain closed until the first day of the season, when it will re-open at 8AM.

IF you do not sign up before FamilyID closes, and wait until it is RE-opened on the first day of practice, your child's start to their sport season may be delayed and playing time may be influenced due to NYS's required number of minimum practices. When the system is RE-opened on the first day of the season, the nurses will process FamilyID registrations as quickly as possible. *Students WILL NOT be able to participate in practice until approved through the FamilyID system.*
