WHEREAS, if any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution; now therefor

BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE AUBURN ENLARGED CITY SCHOOL DISTRICT, NEW YORK (by the favorable vote of at least two-thirds of all the members of the voting strength of said Board of Education), AS FOLLOWS:

Section 1. The President of the Board of Education of said Lessee, the chief fiscal officer (the "Board President"), or the Vice President in the event of the absence or unavailability of the Board President, is hereby authorized and directed to execute, and the District Clerk is hereby authorized (but not required) to attest and countersign, the Agreement and any related Exhibits attached thereto and to deliver the Agreement (including such Exhibits) to the respective parties thereto pursuant to the requirements of Section 109-b of the General Municipal Law of the State of New York when the Agreement shall have been prepared for execution and the Board President or District Clerk is authorized (but not required) to attest the seal of the Lessee on the Agreement.

Section 2. The Agreement shall be for a term of approximately sixteen (16) years but not to exceed eighteen (18) years, beginning with the earlier of (x) the time of receipt of possession of the

Equipment, and (y) the execution and delivery of the Agreement, or such lesser term permitted by law or by regulation of the State Education Department, the aggregate principal amount of the installment lease/purchase payments pursuant to the Agreement shall be approximately \$2,090,096 plus the interest portion accruing thereon, and the total amount of installment lease/purchase payments in any fiscal year shall not exceed an amount necessary to comply with Section 109-b of the General Municipal Law of the State of New York and the Agreement shall otherwise comply with the requirements of said Section 109-b, to the extent applicable thereto, except for certain competitive bidding, and referendum requirements which, pursuant to the Energy Law shall not apply to the Agreement. It is hereby found and determined that the Agreement and the Escrow Agreement (collectively, the "Financing Documents") are in the best interests of the Lessee for the acquisition of the Equipment. The Financing Documents shall be subsequently in the form approved by the Board President with all necessary and appropriate variations, omissions and insertions as approved, permitted or required by such Board President (or the Vice President in the event of the absence or unavailability of the Board President) and the execution and delivery thereof by such Board President or Vice President shall be conclusive evidence of such approval. Subject to the express limitations as set forth above the installment lease/purchase payments under the Agreement shall be a sum necessary to pay the sum required to lease and acquire the Equipment in accordance with the Agreement at the interest rate or rates applicable therein, such debt service reserve fund and/or lease/purchase payment fund as shall be necessary or desirable to be capitalized with respect to any financing in connection with the Agreement, and a sum sufficient to pay the costs and expenses allocable to any financing respecting the Agreement including the costs of credit enhancement, insurance, or municipal credit rating, if any.

Section 3. The Board of Education hereby determines and finds that execution and delivery of the Agreement is in the best financial interests of the Lessee based on due consideration of the other available acquisition and financing alternatives, other administrative and management considerations with respect to the location and utilization of the Equipment and the successful timely utilization of the Equipment and considering the successful timely utilization of such installment lease/purchase financing by other school districts with respect to other capital projects. An evaluation of financing alternatives pursuant to, and in accordance with, the regulations of the State Comptroller, is attached hereto. As set forth therein, the financing alternatives are: (1) borrowing

pursuant to the Local Finance Law or borrowing through the Dormitory Authority of the State of New York; (2) lease/installment purchase financing pursuant to Section 109-b of the General Municipal Law and the Energy Law; (3) the creation and funding over time of a capital reserve fund or funds, and (4) current budgetary appropriations. Alternatives number 1, 3 and 4 are not presently authorized and would not meet the time and financial constraints for the energy project. Based on a review of the evaluation of financing alternatives, the Board of Education hereby determines that it is in the best interests of the Lessee to finance the Equipment pursuant to an installment purchase contract or lease purchase agreement.

Section 4. Nothing contained in this Resolution, the Agreement nor any other instrument shall be construed with respect to the Lessee as incurring a pecuniary liability or charge upon the general credit of the Lessee or against its taxing power, nor shall the breach of any agreement contained in this Resolution or in the Agreement impose any pecuniary liability upon the Lessee or any charge upon its general credit or against its taxing power, except to the extent that the lease/purchase payments payable under the Agreement are subject to annual appropriation obligations of the Lessee as provided in the Agreement.

Section 5. The Board President (or the Vice President in the event of absence or unavailability of the Board President) is hereby authorized and directed to execute and deliver (and may cause to be sealed and attested the seal of the Lessee) for and on behalf of the Lessee any and all instruments, affidavits, certificates, those portions of any offering materials referring particularly to the Lessee, financing statements, including specifically UCC- 1 financing statements and exhibits thereto to the extent, if any, deemed necessary or appropriate, Internal Revenue Service information returns, an arbitrage certificate and agreement, documents or other papers in connection therewith and to do and to perform or cause to be done any and all acts as such Board President or Vice President may deem necessary or appropriate or as Lessee's counsel or special legal counsel shall require or deem necessary or appropriate in order to implement and carry out this Resolution, the Financing Documents and the matters herein authorized including, without limitation, the power to cause certificates of participation to be sold pursuant to Section 39.6 or Section 39.7 of the State Comptroller Regulations and otherwise comply with such regulations and with the applicable provisions of General Municipal Law §109-b applicable thereto.

Section 6. If any section, paragraph, clause or provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution.

Section 7. This resolution shall take effect immediately upon its adoption.
