### Math Projects at Herman Ave.

Fourth grade students in Mrs. Zambito and Mr. Fiermonte's class worked on Math About Me Projects. They came up with posters that included math questions about their lives. The questions had to include math concepts that they learned this year in 4th grade. Mr. Kowalski came in and provided them with directions and an example for guidance.

*Mrs. Zambito, 4th Grade Teacher*

**Congratulations to Lily Nila, Class of 2023, on performing as a youth soloist in the REV Theatre Company's production of *Evita*. What an accomplishment!**

NYS AHPERD President

L-R: Lukas Jensen, Gretchen Kopper, Ella Blanchfield, Makenna Komanecky

**Fourth grade students at Genesee Elementary School** participated in a songwriting residency with Terry Leonino and Greg Artzner, known as Magpie. The students worked with Magpie to write a song focused on the relationship between Harriet Tubman and the Seward family. The students chose to title the song "Still Standing". This year's song was performed for the entire school on Friday, June 9th. On Saturday, June 10th, a special community event was held at the Equal Rights Heritage Center to celebrate the 10th year of the program.

*Beth Robinson, 4th Grade Teacher, Genesee Elementary*

# Have a Wonderful Summer Vacation

## BMI Notification for 2023 – 2024 School Year

As part of a required school health examination, a student is weighed and his/her height is measured. These numbers are used to figure out the student’s body mass index, or “BMI.” The BMI helps the doctor or nurse know if the student’s weight is in a healthy range or is too high or too low. Recent changes to the New York State Education Law require that BMI and weight status group be included as part of the student’s school health examination. A sample of school districts will be selected to be part of the survey; we will be reporting to New York State Department of Health information about our students’ weight status groups. Only summary information is sent. No names and no information about individual students are sent. However, you may choose to have your child’s information excluded from this survey report.

The information sent to the New York State Department of Health will help health officials develop programs that make it easier for children to be healthier.

If you do not wish to have your child’s weight status group information included as part of the Health Department’s survey this year, please print and sign your name below and return this form to:

Caren Radell RN, Nursing Supervisor  
78 Thornton Ave.  
Auburn, NY 13021

Please do not include my child’s weight status information in the 2022-2023 School Survey.

# DIVERSITY, EQUITY & INCLUSION

- District DEI leadership and district administrators hosted over twenty community leaders to discuss, share, and deliberate on best practices regarding DEI initiatives at a variety of community organizations. The June 6 luncheon meeting's central purpose was to initiate community-wide partnership and collaboration on implementing and enhancing DEI throughout the larger community regardless of organizational scope.
- Dr. Burgess and Bill Berry, presented the DEI Strategic Plan to the larger community on June 7 at the Cayuga Museum's Carriage House Theater at 5:30 PM. This event was free and open to the public.
- At the June 16<sup>th</sup> "Auburn's Juneteenth Community Appreciation Night," Dr. Burgess and Bill Berry were Community Award Recipients for Education and briefly spoke about the district's DEI strategic plan and the long-range implications of this work on students, staff, and community. The affair at the Carriage House Theater featured a discussion with Dr. Michael Eric Dyson, distinguished university professor at Vanderbilt University and author of over 25 books, including seven *New York Times* bestsellers. The Honorable Brian Muldrow, "the first African American legislator in Cayuga County's 224-year history;" a current member of the Cayuga County Legislature, moderated the discussion with Dr. Dyson.
- The school district, school officials, staff, and students supported and participated in the city-wide activities celebrating 2023 Juneteenth second annual parade and Juneteenth family-based activities at the Booker T. Washington Community Center on June 17.

*Dr. Renee Burgess, DEI Executive Director*

## Herman Avenue Duck Project - A Wonderful Community Effort!

Herman Avenue Students in Colleen Miles' First Grade Classroom teamed up with local community members to hatch and raise ducklings for the first time! Duck eggs were graciously donated by Dennis Chapman of Scruples Stables, bedding and feed from Wildheart Farms, incubation materials from Erin Humphrey, 4-H Animal Science Educator through Cornell Cooperative Extension, weekend duck sitting services by the Kmieczak family, and lots of love and attention from Herman Avenue staff and students! When

**Lucky Ducky and Buttercup** grew too big to stay at school, the Reinhart family at Wildheart Farms adopted them! A BIG thank you to the many people who made this project possible!

*Colleen Miles, Ed. D. Elementary Educator, Herman Ave Elementary*

## PESTICIDE NOTIFICATION

Dear Parents, Guardians, and School Staff:

New York State Education Law Section 409-H, effective July 1, 2001, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

The Auburn Enlarged City School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- a school remains unoccupied for a continuous 72-hours following an application;
- anti-microbial products;
- nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children;
- silica gels and other nonvolatile ready-to-use pastes, foams, or gels in areas inaccessible to children;
- boric acid and disodium octaborate tetrahydrate;
- the application of EPA designated biopesticides;
- the application of EPA designated exempt materials under 40CFR152.25;
- the use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the form below and return it to the AECSD Facilities Department, Attn: Eric L. Francisco, CBO, Director of Facilities, the Auburn Enlarged City School District pesticide representative, at: 78 Thornton Avenue, Auburn, NY 13021 or email to marycregg@aecsd.education.

### Family Educational Rights and Privacy Act of 1974 (FERPA)

Students who are applying to colleges, please be aware that procedures for the confidentiality of student records within the Family Educational Rights and Privacy Act of 1974 (FERPA) have recently changed. FERPA permits school officials to disclose all education records, including disciplinary records, to another institution at which the student seeks or intends to enroll. This now also applies to post-secondary institutions (colleges), upon request.

You can go online to find out if any sexual offenders live near you. The New York State Sex Offender Registry is available at [www.criminaljustice.ny.gov/nsor/index.htm](http://www.criminaljustice.ny.gov/nsor/index.htm) whereby you can search for Level 2 and Level 3 sex offenders.

### Keep Your Child on Track With Schoolwork

**Supporting Children's Learning:** Children who are struggling with schoolwork can become frustrated and look for ways to avoid going to school and participating in school. Our goal is to provide them with the support they need so they feel good about learning and good about themselves. Parents and teachers need to work together to help children succeed in school and feel connected. Find out more at:

Herman Ave students Gio and Lorenzo Picarro raised money and donated 100 art bags for students to take home this summer. The Picarro brothers, who created Picarro Bros Art Company, raised money by selling their own artwork and through donations. These brothers love to be creative and they wanted to share art supplies to provide more students with the opportunity to be creative this summer. Each art bag was filled with art essentials, which included: pencils, crayons, colored pencils, watercolor & brush set, markers, a drawing pad, scissors, gluesticks, a pencil pouch, pencil sharpener, puzzle kit, writing journal, foam shape stickers, construction paper, and a postcard. Bags were distributed on the last day of school to 100 Herman Avenue students.

Thank you to both Gio and Lorenzo for all your hard work!
