AUBURN ENLARGED CITY SCHOOL DISTRICT

VOLUME 22, ISSUE 1

Welcome Back!

I am very excited to welcome students and staff back for the 2017-18 school year. It is hard to believe summer has already come and gone and another school year is upon us.

Capital Improvement Projects

We have been working diligently over the summer on various capital improvement projects. For starters, the technology wing at the Auburn Junior High School underwent a full renovation in order to incorporate a new Mac Lab, Media Room, and Robotics/PC Room. These rooms will give our students 21st Century learning environments that will help prepare them with the necessary skills they need to be successful.

Additional technology upgrades will be forthcoming during the upcoming school year. The district's Smart Schools Investment Plan was finally approved by the New York State Education Department (NYSED) in mid-July, after a long delay in their approval process. We immediately submitted the plans for Phase I and Phase II of the project back to NYSED for approval. Technology related upgrades associated with this project include a full wireless overhaul that will increase wireless coverage to all instructional spaces and school grounds, and the installation of interactive whiteboards, as well as a Short-Throw Projector, in every instructional space district-wide. We anticipate installation will begin sometime in November with a completion date sometime in late winter or early spring.

Other capital improvements that have been made over the summer include renovating the auditoriums at Genesee Elementary and Herman Ave Elementary, and improving the audiovisual capabilities in the Auburn High School library. Also at the high school, the track has been resurfaced in order to ensure the safety of our students during physical education classes and athletic contests.

Turf Project at Holland Stadium

The turf project at Holland Stadium is going well, and we are anticipating its completion by mid-September. A ribbon cutting ceremony and community pep rally will be held on September 20 at 7:00PM. Additional updates on the expected completion will be provided in the coming weeks.

Attendance Initiative

ln all of our schools this year, we are launching a strategic attendance initiative in conjunction with New York State's "Every Student Present"

campaign. When your child misses school, they cannot learn, and their opportunities disappear. It is vital that you get your child back to school after all breaks and schedule appointments for your child after school hours. We have hired a full-time social worker to help us with this initiative.

We are also continuing our efforts to #Fix ndFundIt petition Governor Cuomo to fix and fund the Foundation Aid formula for

public schools. Dr. Rick Timbs from the CNYSBA analyzed the state's Foundation Aid formula and provided us with suggestions on the best ways to advocate to our state legislators. Though there are many flaws with the formula, we are asking to fix just a few of the components and then fund it. We will be spreading our "Fix And Fund It" message to other school districts in New York State that have the same issues with the Foundation Aid formula. Please help us advocate and spread the message using #FixAndFundIt on social media.

School Spirit Fridays will continue throughout the school year. All students, staff, and community members are encouraged to wear our district colors, maroon and

white, every Friday.

On behalf of the administration and Board of Education, thank you for your continued support. We look forward to seeing all of our students on the first day of school – Tuesday, September 5th! Jeff Pirozzolo, Superintendent of Schools

For Elementary Stud

The district will continue to provide breakfast and lunch at no cost to all elementary students. This program, called the Community Eligibility Provision (CEP), allows all elementary students to obtain complete meals, free of charge, regardless of household income. This program was established by the Food and Nutrition Service of the United States Department of Agriculture to make it easier for children in low-income communities to receive meals at no charge. At the present time, this program is available to students in the elementary schools only. Students entering 7th grade will continue their free eligibility for the first 30 days of the school year. Please turn your applications in as soon as possible. After 30 days, only those students who meet eligibility requirements will continue to receive free meals.

There are no applications to complete for the CEP. As long as the student takes a complete ('reimbursable') meal, it will be free. If the student wishes to purchase a second meal, or only parts of a meal (i.e., milk), there will be a charge for that, so you may wish to keep or establish a prepaid meal account for your child.

The district contracts with Whitsons Culinary Group to provide meals for our students. The Food Service Director is Mike Herr. He can be reached at 315-255-8335.

The Auburn Enlarged City School District has been facing significant budget shortfalls year after year due to major flaws with the New York State Foundation Aid formula and its lack of funding.

The loss of that funding is detrimental to the education our students receive. We have had to close a school building, tap into our reserve funds, increase school taxes, reduce staff, increase class sizes, and decrease programming. We cannot do it any longer!

It's time to eliminate the Income Wealth Index "floor" of .65 so ALL public schools can achieve full educational funding!

If the minimum were eliminated, 150 school districts across the state would see a net benefit in the amount of Foundation Aid they receive; Auburn would have received an additional \$1.74 million in 2016-17 and \$2.23 million in 2017-18. In addition, fully funding Foundation Aid would give Auburn an additional \$5.3 million for the 2017-18 school year alone.

Please help spread the message!

#Fix and Fund It

SEND!

Post cards addressed to Governor Cuomo are available at the Harriet Tubman Administration Building at 78 Thornton Avenue and the main offices of each school. A directory of NYS officials is available at: district.auburn.cnyric.org/Budget

SIGN!

A petition requesting the Governor take immediate action to fix and fully fund the Foundation Aid formula for public schools is available to download at district.auburn.cnyric.org/Budget. Ask your family, friends, neighbors, and any other district resident you know to sign the petition.

SHARE!

Use our new and improved hashtag – #FixAndFundIt – on social media.

Our students deserve fair and equitable funding too. They need everyone on board to spread this message. The more the governor and other lawmakers hear the message, the more likely they are to listen and act!

Save the Date!

AJHS Parent "Reach Out" Program

In an effort to openly correspond with Auburn Junior High School families district-wide, members of the AJHS staff will be reaching out to the elementary communities in order to communicate curriculum, assessment information and resources available at the junior high school. Families will learn and participate in English Language Arts and Math lessons introduced by AJHS ELA and math teachers in order to help support students at home. In addition, there will be a school counselor and building administrator available to communicate school-wide programs or to answer questions. **Dates, times and locations are:**

Genesee Elementary School	6:00 – 7:00 PM	Thursday, October 19, 2017
Casey Park Elementary School	6:00 – 7:00 PM	Thursday, December 14, 2017
Seward Elementary School	6:00 – 7:00 PM	Thursday, February 15, 2018
Owasco Elementary School	6:00 – 7:00 PM	Thursday, April 19, 2018

AJHS is looking forward to "Reaching Out" to our families! Food and refreshments will be available.

Four Reasons Auburn Celebrates Birthdays Without Food

We Promote
Healthy Minds
and Healthy
Bodies

We are working to promote healthy minds and healthy bodies at Auburn. The research is clear - healthy kids learn better. To provide the best possible learning environment for children, schools must provide an environment that supports healthy behaviors. According to the Auburn **Enlarged City School District** Wellness Policy, students are to receive nutrition education that teaches the skills and attitudes they need to adopt healthy eating behaviors. The policy also states that the school district encourages parents, teachers, school administrators, support staff, and community members to serve as role models in practicing healthy eating and being physically active, both in school and at home. Decreasing the availability of "empty calorie" foods, foods that are high in fat, sugar and salt with little nutritional value (the type typically brought in for birthday celebrations), is just one strategy schools can use to promote wellness.

Instructional Time will be Preserved

Less instructional time will be lost with this policy. In the past, anywhere between 15 - 30 minutes of class time was used for each birthday party. At the conclusion of the party, very often the birthday child would then walk around the building offering the extra treats to teachers, usually accompanied by a friend or two. This resulted in several disruptions to other classes, and more instructional time lost for the birthday child and his/her friends. Auburn will still celebrate birthdays, however it will be done in a way that preserves as much instructional time as possible.

Every Child's Birthday will be Special

Every child's birthday will be celebrated. There are a few children in each of our classrooms that do not celebrate their birthday in school with treats brought in from home. This happens for a variety of reasons, some of which are unknown to us. We do know that some parents cannot afford to send in treats, some do not have transportation, and some cannot afford to take time off from work. With this policy, no student will be excluded.

All Students will be Safe

Safety is a priority at Auburn. With this policy, students with food allergies, diabetes, or other food-related health issues will be safer, and will stop feeling excluded as they have on several occasions in the past. Even though teachers and parents took care to provide a safe snack for these children, these children do not enjoy being singled out 15 - 20 times per year. In addition, it could not be guaranteed that treats were sanitary. We have witnessed cupcakes being dropped on the way into school and being placed back on the tray, fingerprints and hair on cupcakes, students sneezing on an open container of cookies, etc. When it comes to students with food allergies, it is not just a matter of breaking out with hives, sneezing, and having a runny nose. Lives may be endangered. Even in classrooms where there was a strict policy in place regarding the types of food that could be brought into the classroom, not everyone followed the policy. Research has shown that 1/3 of students who have an allergic reaction at school did not previously know they had a life-threatening allergy.

District Sustainability Committee

During the last school year, the sustainability committee, comprised of teachers, parents, school board members, administrators and other district staff, met monthly with the goal of finding ways the district could reduce waste. We were awarded a grant from the Auburn Education Foundation to purchase recycling bins for use throughout the district. In the high school, student clubs collected returnable cans & bottles, redeemed them at a local recycling center and were able to keep the cash they earned for club purposes. This recycling effort has spread to some of the other schools, as well, and will continue in the fall.

Each building in the district is now recycling "clean" paper. Students collect the clean paper each week and deposit it in a designated dumpster placed at each building. The district response to paper recycling has been overwhelming and the students really enjoy the collection process!

This spring, the committee participated in an Earth Day celebration at the Cayuga Museum. We had an interactive exhibit that allowed participants to guess how long it takes a discarded item to decompose in the landfill and another exhibit for students to practice their recycling skills.

This fall, 5th grade science students will participate in a series of lessons focused on recycling & sustainability. Guests from Cornell Cooperative Extension will visit their classrooms to lead these lessons and, ideally, the students will share what they learn with the rest of their school and at home.

If you are interested in joining the Sustainability Committee, please contact Lisa Green at 315-255-8808 or Lisa Green@auburn.cnyric.org

THE DISTRICT WELLNESS POLICY

The Auburn Enlarged City School District is committed to providing students with a school environment that promotes student health and wellness and reduces childhood obesity. The District Wellness Policy can be viewed on the district website. As part of the policy, the district shall:

- ensure that all foods and beverages available in school promote good nutrition, balance and reasonable portion sizes;
- promote the sale of non-food items or activities for school fundraisers;
- **require** non-food classroom celebrations; (see article on p. 4)
- promote the integration of physical activity in the classroom and encourage staff, families and community to participate in and model physical activity as a valuable part of daily life;
- integrate nutrition education that teaches the knowledge, skills and values needed to adopt healthy eating behaviors into the curriculum;
- promote fruits, vegetables, whole grain products, low fat dairy products, safe and healthy food preparation methods and healthenhancing nutrition practices;
- **inform** and update the public about the content and implementation and effectiveness of this policy.

If you are interested in serving on the **District Wellness Committee**, please contact Lisa Green at 315-255-8808 or email her at:

Lisa Green@auburn.cnyric.org

BACK-TO-SCHOOL CHECKLIST

For Parents Who Have Students with a Health Concern:

- → Make your child's health concern known to the school and school nurse.
- ➡ Introduce yourself and your child to the school nurse.
- ➡ Bring current signed healthcare provider orders.
- → Together with the school nurse and other appropriate school officials, and family, develop an individualized healthcare plan (or other educational plans, as needed, e.g., 504, IEP).
- Give permission for the school nurse to communicate with your family's healthcare provider.
- → Provide parent/guardian contact information and update the school with any changes.
- → Ask if non-nurses will be providing care (for example, verify who will administer medication) and how these authorized individuals will be supervised.
- Confirm the school's disaster/emergency plan. Make sure your child's medication and/or medical devices (epinephrine auto-injectors, asthma inhalers, insulin, etc.) will be readily available in an emergency.
- → Let the school know how important it is to have a full-time registered school nurse in the building all day, every day.

For All Parents and Students:

- → Make sure immunizations are up-to-date.
- Review hygiene tips to prevent the spread of infections.
- ➡ Establish a bedtime and wake-up time to ensure adequate and consistent sleep.
- Develop a routine for homework and after school activities.
- Eat breakfast each day at home or at school.
- → Help make appropriate clothing choices (for example, wear comfortable and safe shoes).
- → Keep an open line of communication with your child to ensure that he/she remains safe at school. If a concern arises (such as bullying), contact the appropriate school officials immediately.
- → Get involved! Sign up for the parent organization (PTA/PTO), school Wellness Committee, and mark events such as back-to-school night and parent/teacher meetings on your calendar.
- Ask about the school or district's wellness policy (for example, how does the school address nutrition, activity, stress and mental health concerns).
- Advocate for your child to have a school nurse all day, every day by communicating this message to school administrators and decision-makers.

STUDENT HEALTH EXAMINATIONS

All students in grades PreK, K, 2, 4, 7, and 10th grades, as well as students wishing to participate in sports or become eligible for a working permit, and all new students to the district are mandated by New York State Education Law to have a current examination on record in the health office. The Health Staff encourages you to use your private health care provider for all required school health appraisals for better continuity of care. Should you choose to have a health appraisal done by the school physician or nurse practitioner in school, it will be scheduled at the convenience of the district.

Your child will be asked to disrobe to underclothing. While every effort is made to preserve dignity and privacy, most health offices are too small to provide the level of privacy your child may be used to in his or her private provider's office.

The physician conducts a mini-interview for history. These are age appropriate questions identified by the American Medical Association and the American Academy of Pediatrics. Next, the physical screening examination is done. The exam includes a head-to-toe screening of all major organ systems. Please do not ask the school to conduct this exam unless you seek your own child's permission and understanding of the nature of the exam. Because school examinations, by law, are only screening exams and school providers may not diagnose or prescribe in a school setting, you will be advised of any areas of concern found on examination that require further evaluation by your own provider.

One last suggestion regarding private examinations. Most physicians recommend that you time annual exams around your child's birthday. It may take six to twelve weeks to schedule an appointment, especially over the summer. Please plan accordingly if you have these exams done privately. We understand that during this transition we will all need to be flexible, especially regarding sports participation. Our goal is to facilitate your child's ability to play in a chosen sport. All we ask is that if you have already had an exam done, that you please take a moment to call your private physician to get proof of the exam into the school nurse as soon as possible.

Please feel free to contact Caren Radell, Nursing Supervisor, at (315)255-8829.

STUDENT HEALTH SERVICES

The district's School Health Services program supports your student's academic success by promoting health in the school setting. One way that we provide care for your student is by performing the health screenings as mandated by the State of New York.

During this school year, the following screenings will be required or completed at school:

Vision

- Distance acuity for all newly entering students and students in Kindergarten, Grades 1, 2, 3, 4, 5, 7 and 10.
- Near vision acuity and color perception screening for all newly entering students.

Hearing

 Hearing screening for all newly entering students and students in Kindergarten, Grades 1, 2, 3, 4, 5, 7 and 10.

Scoliosis

 Scoliosis (spinal curvature) screening for all students 8 to 16 years of age

Health Appraisals

A physical examination including Body Mass Index and Weight Status Category Information is required for all newly entering students and students in Pre-Kindergarten or Kindergarten, Grades 2, 4, 7 and 10.

Dental Certificates

 A dental certificate is requested for all newly entering students and students in Kindergarten, Grades 2, 4, 7 and 10.

A letter will be sent home if there are any findings on the screening done at school that would cause concern or need medical follow-up. Please call the school's Health Office if you have any questions or concerns.

PESTICIDE MOTIFICATION

Dear Parent, Guardian, and School Staff:

New York State Education Law Section 409-H, Effective July 1, 2001 requires all public and non-public elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

The Auburn Enlarged City School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide application. The following pesticide applications are not subject to prior notification requirements:

- a school remains unoccupied for a continuous 72 hours following an application;
- anti-microbial products;
- nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to shildren:
- silica gels and other nonvolatile read-to-use pastes, foams, or gels in areas inaccessible to children;
- · boric acid and disodium octaborate tetrahydrate;
- the application of EPA designated biopesticides
- the application of EPA designated exempt materials under 40 CFR 152.25;
- The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

In the event of an emergency application necessary to protect against imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the form below and return it to the Supt. of Buildings and Grounds at 78 Thornton Avenue.

FEDERAL ASBESTOS HAZARD EMERGENCY RESPONSE ACT (AHERA) NOTIFICATION

The Auburn Enlarged City School District, in accordance with Section 763.93 of the Federal Asbestos Hazard Emergency Response Act (AHERA), submitted Asbestos Management Plans to the New York State Education Department in 1989. Updated and reviewed annually, these plans contain reports of the accredited asbestos inspector and the reports of the accredited laboratory which analyzed the inspection samples that were taken.

The Management Plans also describe:

- Places in each school building where asbestos was identified
- Response actions taken to date including abatement of asbestos in elementary, middle, and high school boiler rooms, corridors, classrooms, crawl spaces, and storage areas.

Copies of the Management Plans are available in each of the principal's offices and in the District office. The plans may be reviewed during regular business hours (8:00 AM - 4:00 PM) daily, Monday through Friday. Any questions or requests for additional information pertaining to the asbestos plan should be directed to:

Mr. Larry Garuccio, Superintendent of Buildings and Grounds, Auburn Enlarged City School District, 78 Thornton Avenue, Auburn, New York, or call him at 315-255-8818.

We have resources to help families throughout the school year! While you already know we loan books, you probably don't know about our Learning Backpacks, telescope, nooks and kindles, or cake pans available for checkout with your library card. Learn more about our non-book collection at www.seymourlibrary.org/tools.

Looking for some **homework help** or test prep? Your library card gives you access to online resources:

- Learning Express: helps prepare for a variety of academic tests, including ACT, SAT, PSAT and AP exams. There is also math, reading and writing skillbuilding resources for all students.
- **Kids InfoBits:** especially for grades K-5, covering geography, current events, history and more.
- Opposing Viewpoints in Context: a social issues database providing pro/con viewpoint articles, statistics, images and weblinks.
- Research in Context: especially for grades 6-8, provides reference content, including primary sources.

Don't have a library card? Visit the library with a photo ID and something showing your current address, or register online by entering this url in a browser window: http://bit.ly/2inD1Bj.

We want to make it easier for families visiting our library, so we recently relocated books about parenting to the Children's Room, allowing parents to browse while children can play at the **Early Literacy** workstation, create at the **Maker Station**, pretend with the puppet theater or build with legos or blocks. Part of making life easier for families is our "no fines" policy on any books from our children or teen collections.

Visit the Children's Room on our website, **www.seymourlibrary.org/kids**, to discover storytimes, games, programs (such as Science Saturday), and help finding your next read. Some great programs coming up include:

- **Financing Your Education** with The New York Department of Financial Services, September 12 at 6 p.m. High school juniors/seniors and families.
- Science Saturday: The Science of Slime, September 16,11 a.m.
- Pajama Storytime, Tuesday, September 19, 6 p.m.

Distances are measured by the shortest route to or from the school. Measurements are taken from a point on the public road opposite the front door of the school to a point on the public road in front of the home. No private roads may be included in the computations. The district uses a Board approved routing program: Transfinder. Requests to have transportation distances re-measured must be made before October 1st.

If you have any questions about bussing, please call First Student at 315-252-3401.

ALL students need a BUS PASS to ride the school bus.

ELEMENTARY STUDENTS Grades K-6, are transported if they live one mile from the school they attend. JUNIOR HIGH School students, grades 7-8, are transported if they live 1.5 miles from their school. HIGH SCHOOL Students must live two miles from the school to be transported.

ALL Bus routes are subject to change throughout the year.

Family Educational Rights and Privacy Act of 1974 (FERPA)

Students who are applying to colleges, please be aware that procedures for the confidentiality of student records within the Family Educational Rights and Privacy Act of 1974 (FERPA) have recently changed. FERPA permits school officials to disclose all education records, including disciplinary records, to another institution at which the student seeks or intends to enroll. This now also applies to post-secondary institutions (colleges), upon request.

Enhanced STAR Exemption for Senior Citizens

Senior property owners who already have a Basic STAR Exemption on their primary residence may be eligible for the Enhanced STAR Exemption when they are 65. You should apply when you are 64 so that, if you qualify, you may receive the exemption beginning the year that you turn 65. Auburn city residents should contact the Assessor's Office at City Hall on South Street (315-255-4125). Other Auburn (Aurelius, Throop, Owasco, Sennett, Fleming) and Cayuga County residents should contact their local assessor's office. The deadline for applications for Auburn city residents is February 1. Other Auburn and Cayuga County residents should check with their local assessor.

The Enhanced STAR program for senior citizens provides eligible seniors an exemption from school property taxes for owner-occupied, primary residences. To be eligible for this exemption, a property owner must be 65 years of age or older on December 31, 2017, with income not exceeding \$86,000.

STAR provides qualifying households with up to a \$65,500 exemption on the full value of their property. Qualifying residents owning a home with a full value of \$100,000 will recognize an estimated \$1,158 in Enhanced STAR tax savings in 2017-2018.
