2. The program's landing page will show a description of the program with a green 'REGISTER NOW' button located below.

**Participant Eligibility:** In order for Auburn students to be considered eligible for participation, parents/guardians will need to complete the on-line Athletics Registration forms, and both the parent and student must "sign" the appropriate documents. This process will allow the District to ensure that all program administration requirements are satisfied and your student-athlete is eligible for participation.
