# Casey Park

Elementary School

May 2019

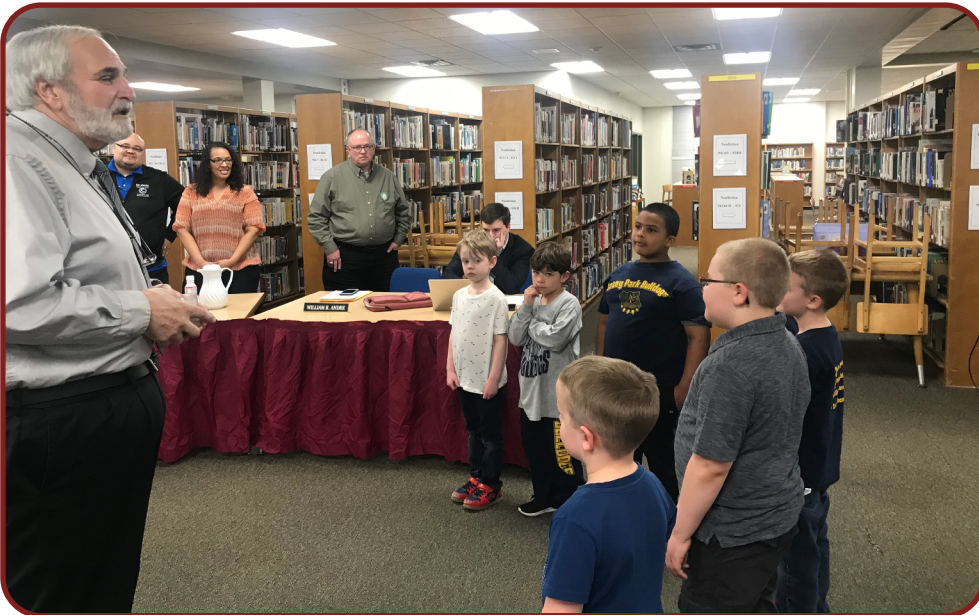

## Lego Robotics

Sixth graders at Casey Park learned how to program Lego robots in the Innovation Lab. Tony Abbatiello and Renee Lawrence from Cayuga-Onondaga BOCES came to the school over the course of four days to teach students during their specials/library time. Here is a photo of **Dominique Newkirk** and **Bella Bouma** testing their robot. The students' goal was to program their robot to travel one meter. Then students were challenged to program their robots to turn around and travel back a meter. Students were engaged and learned that programming requires many adjustments, even if the task seems easy!

## Attendance Champs

Mrs. Mennerich's attendance champs said the Pledge of Allegiance at a Board of Education meeting in April!

## Fitness Walk-a-thon

## Dairy Princess Visit

## WonderWorks

Sixth graders visited WonderWorks at Destiny USA!

## Grade 5 D.A.R.E. presentation

# ATTENDANCE MATTERS!

Please make sure your student is in school whenever possible. Every day is a gift of education.

If your child is not present, please call the main office at (315) 255-8760 to report his or her absence.

Please help us reduce chronic absence. For more information, please visit:
