Dear Families,

Happy New Year! I hope you all enjoyed some quality family time over the Holiday Break!

Our secretary Mrs. Linda Benson will be retiring on Friday, January 19. Linda has been the backbone of Herman Ave. Elementary for 12 years. Mrs. Benson runs our school each and every day and she will be greatly missed. Please give her your regards when you stop in the office.

We are lucky to have Mrs. Kirsten Dann transferring to us from Genesee Elementary beginning on Monday, January 22. Welcome Mrs. Dann!

We are always thrilled to welcome back the students to school and anticipate a fun New Year filled with new learning! Thank you for your support of our school.

Respectfully,

Mr. Dennis Taylor

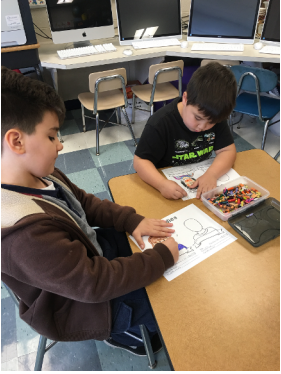

KINDERGARTEN NEWS

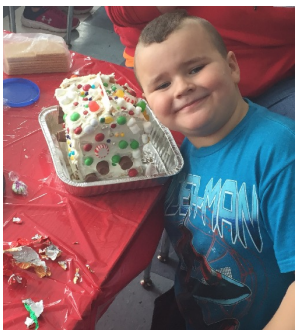

WE
ARE
SOARING

Miss Buckley's third graders are buddies with Mrs. Siddall's kindergarteners.

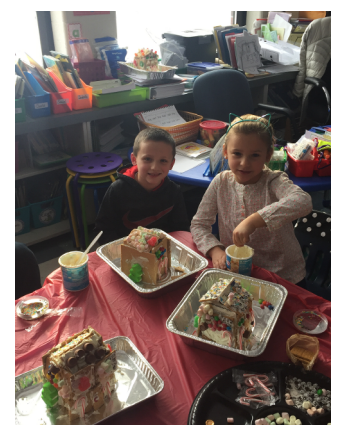

Every week, they get together to work on a social studies or science activity. The kindergarten students love learning from the "big kids" and the third graders are wonderful "teachers". It is very joyful !!!!

Kindergarten students in Mrs. Siddall's class earned lunch in the classroom with a movie for following directions and taking care of each other.

Kindergarten classes had a fun time making gingerbread houses in December!

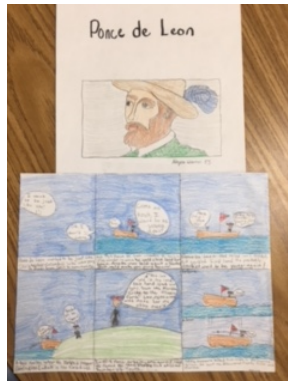

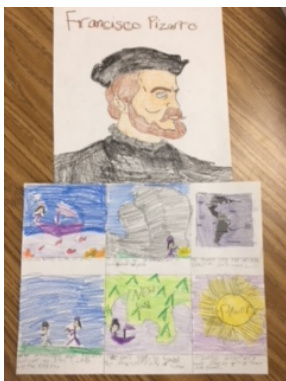

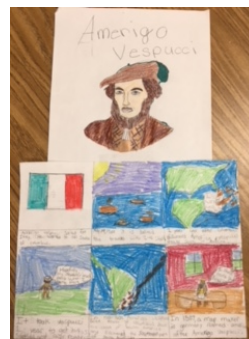

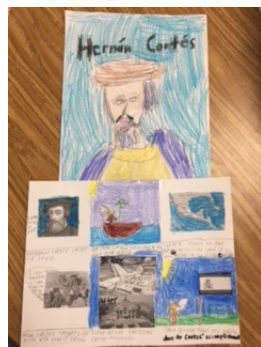

CLASSROOM NEWS

Mr. Drogo's 6th grade science classes have been learning about volcanoes. Students made their own and experimented on eruption types. There are three main types of volcanoes based on how they erupt.

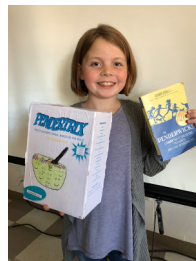

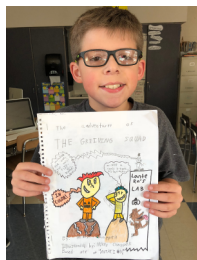

Fifth graders recently learned about European Explorers in Mrs. Musso's social studies class and each student was assigned an explorer to research. Then they took their information and expressed what they learned through a comic strip. They discovered that not all explorers became rich or popular despite finding new lands, establishing new trade routes, or even finding gold. Some even died on their journey! Take a look at some of the men who helped make new discoveries or helped their country claim territory in North and South America.

CLASSROOM NEWS

Book reports are an engaging way to motivate students to read and they are important for improving a child's writing skills and reading comprehension. Mrs. Pesarchicks' students completed book report projects based on a fiction book that they read. Students had a choice between a "Cereal Box" or "Picture Book" project. The Cereal Box project required them to invent a new cereal based on their book, decorate the sides and create a commercial. The Picture book project required them to imagine they would rewrite the book they just read for a first- or second-grade child. The illustrations and writing had to be simple, yet detailed enough to understand the story. Students commented how fun the project was and they can't wait to do another upcoming book report. The following is a list of students and the book they read:

- Amelia LeFevre, Wonder
- Eric Barski, Diary of a Wimpy Kid
- Michael Chappell, The Adventures of the Grieving Squad
- Madisyn Edersheim, The Boxcar Children, The Mystery Bookstore
- Claire Williams, Geronimo Stilton, The Fabumouse School Adventure
- Emily Neuman, The Penderwicks
