

Fill-A-Belly Over School Break Program

12/21/22

Volunteers are needed for the day of our distribution! The distribution is scheduled for 9:00am-1:00pm. Volunteers will be needed at least one hour prior to the event and an hour after for clean-up. The event will be held outside of the Booker T Washington Community Center. The food giveaway will be completed as a pre-boxed food giveaway event. Families will register for the event and have instructions to arrive at the front of the Center to pick up their boxes of food. We will plan to have families pull up along the front of the building and complete a drive through food giveaway this year.

Please let me know if you, or some of your team members, would be willing to help and give back to your community. Depending on the number of registrants, we may assign volunteers specific time shifts in an effort to reduce anyone from being outside too long in the cold or in lifting duties. Volunteers will be utilized inside of the building to pre-box non-perishable items as well as outside to hand off perishable bags/boxes. We would ask if you have company shirts with your logo, to wear them on that day so our families are able to recognize some of the many great businesses and organizations in their community.

Thank you, in advance, for your donation of money and/or volunteering of time to our students and their families.
