About Auburn

With respect, we honor and recognize the Cayuga Nation of the Haudenosaunee people on whose traditional land we now call Auburn, New York. Auburn, located in the serene and visually beautiful Finger Lakes region of Central New York, is sited on the northern tip of Owasco Lake. The sole city in rural Cayuga County, agriculture and dairy are big business for the county with 891 farms and increasing revenue from agricultural exports valued at $65 million. Ranked #1 in acres of soybeans and value of sales of grains, oilseed, dry beans, dry peas, county agriculture is also rooted in significant corn production. The City of Auburn complements the area's agricultural economic vitality with 18 farms and 69 "pick your own" near the city. The Saratoga Cheese Corporation built its facility in nearby Aurelius because the county is consistently ranked as one of the largest milk-producing counties in the state.
